# DJ Wonder

DJ Wonder is one of music's most in-demand DJs. His unique fusion of hip-hop and all other genres is one like no other. DJ Wonder began his career at one of New York's top radio stations - Hot 97. He was featured on multiple hit shows including Star And Bucwild and Miss Jones. Wonder then earned a position as the Executive Producer on The Cipa Sounds Effect radio show. His prominence on the radio opened many doors for him, allowing him to become the executive producer and DJ on The Morning After show with Angela Yee.

DJ Wonder is currently the executive producer and DJ of Sway In The Morning on Eminem's Shade 45-SiriusXM radio. He also founded DJ Wonder Presents: Animal Status on SiriusXM's Shade 45, where he interviews a number of celebrities on the show including G Herbo, Lil Keed, Casanova, Blueface, and The-Dream. While radio is the heart and soul of where his career began, DJ Wonder has a passion for nightlife and social events where he showcases his hottest tracks.
