## BIO

New York native, Scram Jones has been one of music's most versatile and in-demand DJs for almost two decades. The twotime Grammy award-winning producer, DJ, and rapper has spun every spectrum of the game: club to radio, elite special events to world-renowned music festivals, and virtually everything in between.

His advanced technical skills and creative open format sets have led him to work with some of music's most esteemed artists such as Eminem, Rihanna, Mariah Carey, Rick Ross, and Dave East.
